# Equipped for Life

## OUR VISION

Every graduate is equipped to think truthfully, act justly, and live faithfully for the good of the world and the glory of God.

In 1962, an extraordinary dream began—to establish a Christian university in Canada, a place for equipping students to set the foundation for a full and meaningful life.

Trinity Western has since grown to become Canada's largest faith-based university and one of North America's premier global Christian universities, offering a full range of undergraduate and graduate degrees, including professional schools in business, education, human kinetics, nursing, and clinical psychology.

Every year, more than 5,000 students from over 75 countries experience an academically excellent liberal arts and sciences education, while being formed within a Christ-centred, student-focused, and globally engaged community of faithful thinkers and joyful believers.

At Trinity Western, students are equipped to actively participate in effecting positive change in the world.

# Welcome

## TO CAMPUS

Canada is a safe and welcoming country known for its high-quality education and ample work opportunities. Located on the West Coast, British Columbia offers a mild climate throughout the year.

The province is multi-ethnic and recognized as one of the top locations to find work for those coming from overseas, with a second language being an advantage to securing employment. TWU has campuses located in both Richmond, B.C. and Langley, B.C.

Just outside of Vancouver, TWU Richmond provides programs tailored to an international audience. In an urban setting close to public

transit, this campus features high-tech classrooms and hosts students in our Trinity Language Centre pathway. Here you'll have easy access to the benefits of a big city—shopping, food, culture, and concerts.

Surrounded by nature and with a fantastic view of the Coast Mountains, our main campus in Langley, British Columbia is home to our traditional undergraduate students. On sunny days, the lawns around campus are full of students reading, relaxing in hammocks, or enjoying all kinds of fun outdoor activities. In cooler weather, students connect in the Trinity Commons or gather outdoors by the fire in the Ubuntu Pavilion.

### ON-CAMPUS RESIDENCE

You'll love what living on campus has to offer. Dorms are more than just a place to sleep. Whether it's dorm movie nights, all-night study sessions, competing in dorm skits during Fort Week, or having meals together in the cafeteria, living in residence is an incredible way to meet lifelong friends from all over the world.

### COMMUTING

If you're planning on commuting, the entire community experience is here for you, and our commuter collegiums are specially designed to serve as the perfect home away

from home. Featuring comfy couches, cozy fireplaces, and an endless supply of coffee, collegiums are fully equipped with modern kitchens and stocked with snacks, making for an ideal place to get some work done or just hang out with friends.

### GLOBAL LOUNGE

Need a place to cook your lunch, meet friends, take a nap, or study? The Global Lounge is a space for residents and commuters to get together, meet new friends from all over the world, and relax in a warm and welcoming environment.

LIVE AND STUDY IN THE CITY

“

I came to TWU Richmond very nervous. After finishing my first semester, I realized there was nothing to be afraid of. The community is caring and full of support for international students who move into a new city alone.

## INTERCULTURAL PROGRAMS (ICP)

Our Intercultural Programs help international students as they transition to life and school in Canada. ICP acts as a bridge between North American and international students, and with over 70 cultures represented on campus, we love introducing everyone in the TWU community to new cultures. ICP organizes activities and offers welcoming personal connections for international and multi-cultural students through intercultural events like film showings, dances, community dinners, clubs, and more.

Every other weekday, as a vibrant part of campus life, we gather as a community for our voluntary chapel service. Chapel features an engaging lineup of speakers, thought-provoking messages, community prayer, student-led worship, and more. Participate in one of our many on-campus Student Life programs, such as small-group Bible studies, discipleship groups, and spiritual formation workshops. Our peer mentorship program pairs students for individual discipleship.

Our time in the School of Education at TWU was transformational, equipping, and empowering in the most sacred of ways. Daily, we were given the opportunity to learn from exceptional educators in small, personalized learning environments, who modeled creative and engaging lessons for us to learn from. We would highly recommend TWU to aspiring educators who value being poured into and challenged, and who appreciate the rich benefit of high levels of collaboration with their peers. We still find ourselves in contact with our past professors and classmates and are thankful for having received such a strong foundation for our teaching practice.
