- **NOTE:** A total of 30 s.h. are required to graduate and students must have a minimum overall (cumulative) GPA of 3.0. Courses for which the final grade falls below a B- are not counted towards graduation.
- **NOTE:** Most language courses offered are 500 level, but these can still fulfill the language requirements for the thesis and major paper tracks.
- **NOTE:** In order to be eligible for graduation you must complete an Application for Graduation via the Student Portal. This is due by July 15 for participation in the fall ceremony, and by January 15 for participation in the spring ceremony (there is no fee to apply for graduation). Once your application has been received, a degree audit will be completed for you. This audit will confirm which requirements are still outstanding in order for you to complete your degree.
