Auditors' Report

The Board of Governors, Trinity Western University

We have audited the statement of financial position of Trinity Western University as at April 30, 2006 and the statements of operations and fund balances and cash flows for the year then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the University as at April 30, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to financial statements April 30, 2006

1. Purpose and authority

The mission of Trinity Western University, as an arm of the Church, is to develop godly Christian leaders: positive, goal-oriented university graduates with thoroughly Christian minds; growing disciples of Jesus Christ who glorify God through fulfilling the Great Commission, serving God and people in the marketplaces of life.

Established in 1962, Trinity Western University (TWU) operates under the authority of the Trinity Western University Act of the Province of British Columbia. TWU is a Christian liberal arts and sciences university offering undergraduate, graduate and continuing education programs. TWU is a not-for-profit entity, governed by a Board of Governors, the majority of whom are appointed by the Evangelical Free Church of Canada and the Evangelical Free Church of America. TWU is a registered charity and is therefore exempt from income taxes under section 149 of the Canadian Income Tax Act and section 501(c)(3) of the Internal Revenue Code in the United States of America.

2. Significant accounting policies

These financial statements have been prepared in accordance with Canadian Generally Accepted Accounting Principles for not-for-profit organizations and reflect the following significant policies:

Fund accounting

TWU accounts provide for separate fund balances to be maintained at various times in order to recognize restrictions imposed on the use of available resources. The Statements of Financial Position and Cash Flows combine the assets and liabilities of all funds. The Statement of Operations and Fund Balances segregates the Unrestricted, Capital, Specific Purpose and Endowment funds.

TWU follows the restricted fund method of accounting for contributions.

The Unrestricted Fund reports on TWU's program delivery, administrative and ancillary activities.

The Capital Fund reports the net investment in capital assets.

The Specific Purpose Fund reports funds received but not yet expended for specific projects.

The Endowment Fund reports donations received primarily for scholarships. Investment gains and losses from the Endowment Fund are reported in the Unrestricted Fund, unless restricted by the donor.

Controlled not-for-profit organizations

The University does not consolidate controlled not-for-profit organizations into its financial statements. Information on controlled not-for-profit organizations is disclosed in note 3.

Notes to financial statements April 30, 2006

2. Significant accounting policies (continued)

Revenue recognition

Tuition fees and sales of goods and services are recognized as revenue at the time the goods are delivered or the services are provided.

Restricted contributions are recognized as revenue of one of the restricted funds in the year received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Unrestricted contributions are recognized as revenue of the Unrestricted Fund in the year received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions subject to internal restrictions are allocated to the appropriate funds through an inter-fund transfer.

Endowment donations are recognized as revenue in the Endowment Fund.

Gifts in kind are recorded at fair market value on the date of their donation, or at nominal value, when fair market value cannot be reasonably determined. Donated services are not recognized in these financial statements.

Inventory

Inventory is comprised of items held for resale by the University Bookstore and is valued at the lower of actual cost and net realizable value.

Long-term investments

Long-term portfolio investments are recorded at cost. The carrying value is written down to fair market value if there is a permanent impairment in value.

Capital assets

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at their fair market value on the date of the contribution. No amortization is taken in the year of acquisition and a full year of amortization is taken in the year of disposal. Amortization is provided using the straight-line basis over the estimated useful life of the assets as follows:

Roads and parking lots	40 years
Buildings	40 years
Furniture and equipment	10 years
Library collection	10 years
Computers	3 years
Vehicles	5 years

Notes to financial statements April 30, 2006

2. Significant accounting policies (continued)

Asset retirement obligations

Legal obligations related to asset retirement obligations are recognized when a reasonable estimate of fair value can be made. These obligations are recorded at fair value with a corresponding increase in asset value. The liability is accreted over the life of the asset to fair value and the increase in asset value is depreciated over the remaining useful life of the asset. This includes future removal and site restoration costs as required due to environmental law or contract. Management has determined that the University has no asset retirement obligations at year end.

Use of estimates

The preparation of financial statements in conformity with Canadian Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Endowments

The externally restricted portion of the Endowment Fund is comprised of donations from external sources. The internally restricted portion is comprised of internal contributions and cumulative earnings net of scholarship distributions.

Ancillaries

Ancillaries include Housing Services, Dining Services, Conference Services, Bookstore and Trinity Western University's English as a Second Language (ESL) program. Compensation expenses for Ancillaries are included in the Compensation line of the Unrestricted Fund.

Notes to financial statements April 30, 2006

3. Related party transactions

The Associated Canadian Theological Schools (ACTS)

TWU is a 16.7% participant in the ACTS joint venture and recognizes this interest under the equity method. ACTS forms an instructional consortium of independent seminaries which have in common an extensive doctrinal compatibility and are committed to church leadership training in a manner which preserves the distinct goals of each of the six participating institutions. As ACTS, the six seminaries constitute the Graduate School of Theological Studies of Trinity Western University.

Trinity Western University Foundation (TWUF)

TWUF was established as a Crown Corporation under the Trinity Western University Foundation Act of the Province of British Columbia on July 20, 1989. Its main purpose is to receive, manage and invest funds to further the purposes of TWU. The Act provides TWUF with the status of an Agent of the Crown in the Right of the Province of British Columbia.

Trinity Western University Foundation - US (TWUF - US)

TWUF - US was incorporated under the Washington Non-Profit Corporation Act in 1980 to support and benefit Christian colleges with the Evangelical Free Churches of America and receive charitable donations for the benefit of TWU. TWUF - US was also established to provide financial backing for the Seminary and Christian colleges of Evangelical Free Churches of America so that they may be aided in providing liberal arts college education with a Christian emphasis.

TWU's Board of Governors, through its Business/Finance Committee, monitors the performance of the investment manager (McLean Budden), with the advice of an external investment advisor. The Business/Finance Committee of the Board has established a Board Investment Committee (B.I.C.) to carry out its responsibilities. Administrative responsibility regarding the custodial activities of investments is delegated to the University's Management Investment Committee (M.I.C.). Fund Managers are retained by the M.I.C. to carry out the daily investment decisions and oversight of the funds.

The external investment advisor is an independent consultant who analyzes and evaluates the external fund manager's investment performance, strategies and compliance with the University's Investment Management Policy through regular written reports and presentations to the M.I.C. and B.I.C.

The market return on investments includes interest income, dividends, capital gains and unrealized gains / losses.

* The return on investment for the Other funds above is for the year ending December 31.

12. Contingent liabilities

Evangelical Free Church of Canada

TWU has agreed to provide the Evangelical Free Church of Canada (EFCC) perpetual occupancy of specific office premises on campus. In return, the EFCC has contributed certain amounts towards construction costs of their premises.

By an agreement dated July 30, 1996, TWU has agreed to repay the EFCC an amount based on the appraised value of the space occupied by EFCC, should they choose to vacate the office premises.

Canadian University Reciprocal Insurance Exchange

Since 1988 Trinity Western University has been a member of the Canadian University Reciprocal Insurance Exchange (C.U.R.I.E.), a self-insurance co-operative providing property and general liability insurance coverage to 56 university subscribers in Canada. Under this co-operative arrangement, the University participates in the periodic return of excess premiums and shares in any losses realized by C.U.R.I.E., in proportion to its participation in C.U.R.I.E. For the current fiscal year, there was neither a return of excess premium nor a share in any loss; there are no anticipated member assessments in the near future based on C.U.R.I.E.'s current financial position.

12. Contingent liabilities (continued)

Letter of guarantee

In accordance with the Post-secondary Education Choice and Excellence Act of the Province of Ontario [S.O. 2000, Chap. 36], the University has provided a \$150,000 letter of guarantee to the Ministry of Training, Colleges and Universities to operate the Laurentian Leadership Centre in Ottawa.

Canada Institute of Linguistics (CANIL) ground lease

The University has entered into a ground lease that allows CANIL to construct and occupy a building on University lands for a period of 35 years with four tenant renewal options of five years each. Under the terms of the arrangement, CANIL may vacate the premises at any time and require TWU to purchase its interest in the building according to a reducing balance formula. At April 30, 2006 CANIL's interest in the building totaled approximately \$2,000,000. At the end of the lease term, including all renewals, title and ownership of the building will pass to the University.

13. Retirement plans

Trinity Western University makes a defined contribution to registered retirement plans for employees. Both the employee and employer portions vest immediately. Employees have full discretion to invest the funds within the University sponsored program.

During the year the University contributed \$879,403 (2005 - \$896,603) to employee retirement plans. The fair market value of the assets owned by employees in the University sponsored program at April 30, 2006 was \$17,365,202 (2005 - \$14,089,155). There is no past service liability with respect to this program.

14. Trinity Western Advancement Fund

Trinity Western University established a permanent Endowment Fund with the Vancouver Foundation in 1986, known as the Trinity Western Advancement Fund:

	2006			2005		
				207.000		
Contributed Principal	\$	387,000	\$	387,000		
Market Value	\$	477,428	\$	442,740		
Income Earned	\$	19,983	\$	19,105		
Distribution to TWU	\$	19,524	\$	18,986		

Under the terms of the Fund, the capital and any addition thereto shall be held permanently by Vancouver Foundation, the income from which shall be used for scholarships, bursaries and for such other educational purposes as may be determined by the University's Board of Governors from time to time.

Notes to financial statements April 30, 2006

15. Financial instruments

The carrying values of funds held in trust, accounts receivable and accounts payable approximate their fair values due to their liquidity and short-term maturity. The fair value of the marketable securities is disclosed in Note 4. The fair value of the private company shares cannot be reasonably determined because no quoted market price exists for these shares.

Long-term debt, including the current portion, bear interest at current rates; as a result their carrying values approximate their fair market values.

Unless otherwise noted, it is management's opinion that the University is not exposed to significant interest, currency or credit risks arising from these financial instruments.

16. Reclassification of prior years amounts

Certain prior year amounts have been reclassified to conform to the current year's presentation.
