Parent Policy:

[Canada Research Chair Renewal, Reallocation and Reduction Policy](#)

Policy Administrator:

Provost

Approval History:

April 26, 2016; Senate Motion #2015/16-066

Purpose:

To confer the Honourary title of Canada Research Professor upon qualified individuals

The objectives of this policy are

- To determine the eligibility criteria
- To define the term of appointment

Scope of this Policy:

Former Canada Research Chairs who continue to hold an academic appointment at Trinity Western University.

Policy Statement:

On the recommendation of the CRC Steering Committee, the honorary title of Canada Research Professor shall be conferred upon a professor who successfully completes his/her term(s) as a Canada Research Chair in good standing, and continues to hold an appointment at the full professor rank at Trinity Western University. This shall be a permanent appointment and shall continue until the professor no longer holds an academic position with TWU.

Monitoring Data:

The VPRGS shall report compliance to this policy to Senate at the last Senate meeting of the academic year.
